

# ZOOM VIEWING TIPS

## ANDROID & ROKU

Select the “Cast” feature on your Android device and search for available devices. Locate your Roku, select the device, and confirm in the next step

## CHROMECAST + CHROME BROWSER ON PC, ANDROID DEVICES OR IOS

Make sure both devices are on the same Wifi. Press “Cast” and select your TV. On a Chrome web browser, select the 3 dots in the top right corner of the browser and select “Cast”.

## IPHONE/IPAD & APPLE TV

Make sure both devices are on the same Wifi. Use the Screen Mirroring feature to mirror your iPhone or iPad to the TV.

## HDMI CABLE

Plug one end of the HDMI cable into your laptop or PC. Plug the other end of the cable into the back of your TV.
